TAKE THE CAKE

The image features three distinct Christmas cakes presented on a dark surface with festive greenery and pinecones. At the top center is 'Santa's Igloo', a white chocolate dome on a wooden slice, decorated with a green Christmas tree, gingerbread, and cinnamon sticks. To the left is 'Taro Mont Blanc Yule Log', a rectangular cake with white frosting, purple swirls, and fresh raspberries. To the right is 'Feliz Yuzu Royaltine', a long, rectangular cake with a dark chocolate sponge, yuzu mousse, and chocolate shavings. In the background, two lit candles provide a warm glow.

Feliz Yuzu Royaltine

The **Feliz Yuzu Royaltine** perfectly balances flavour and mouth feel with layers of tangy yuzu mousse, yuzu chocolate mousse and chocolate sponge cake sandwiched between crispy feuilletine.

An elevated version of a past favourite, the **Taro Mont Blanc Yule Log** is a taro mousse filled sponge log cake complete with coconut cream mousse and sweet potato mont blanc.
